

May 5, 2022,

Dear Parents/ Guardians:

We will be offering a four week summer school program from June 6-30th open to K-8 students. It will run four days a week Monday - Thursday from 8:00-12:00. We are excited to be able to provide this opportunity through a specially funded ESSER grant to give our students additional academic support focused on individual student needs beyond the regular school year. Bussing and lunch will be provided daily for all participating students.

Program Highlights:

- ELA & Math intervention support based on data
- Library book check out and reading incentive prizes
- STEM education partnership with PBS/ ASU
 - Teambuilding and Games
- Chance to win an IPAD for 90% or better attendance at the end of program

We are looking forward to having your child attend our Summer School Program. Please complete and return the permission slip below if you would like your child to participate. Thank you!
