## Arizona School Tax Credit

*Where do you want your tax  
dollars to go?*

## What is the Arizona State School Tax Credit?

Arizona allows individual state income taxpayers to receive a tax credit for contributions to public schools to support extracurricular activities. You have a choice. You can send all your tax dollars to Phoenix or have some of them used directly to improve education at Salome Elementary School.

## What is a Tax Credit?

A tax credit is a dollar-for-dollar reduction in the actual income tax owed to the State of Arizona. For example, if you owe \$900.00 in state income tax and you donate \$400.00 to a public school for extracurricular activities, you may subtract \$400.00 from your tax bill and pay the state just \$500.00. The tax credit might also be a tax deduction on your federal tax return. Check with your tax advisor.

**A tax credit is not a donation.**

Help yourself to a tax credit. Support Salome Elementary School's extracurricular activities.

## Can I designate where I want my money to go?

Yes, you can say where you want your money to go. You can choose an extracurricular activity, specific sport or just to general funds. The choice is yours within the limits of the law.
